Phone: +81-791-58-0987

Fax: +81-791-58-0988

LEEM / PEEM V

The 5th International conference on LEEM/PEEM

FIRST ANNOUNCEMENT

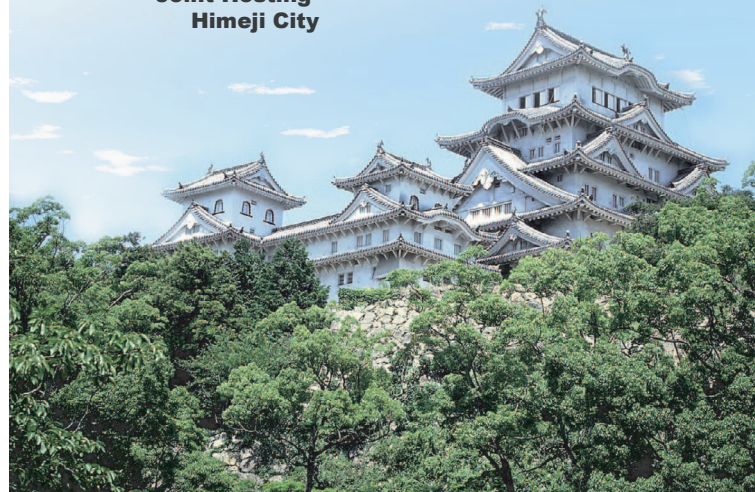

October 15(Sun) -19(Thu)
2006

Egret Himeji, Hyogo, Japan

Organized by
The Japan Society of Applied Physics
SPring-8

Sponsored by
Japan Society for the Promotion of Science

Joint Hosting
Himeji City

Symposium Organization

Organizing Committee

T. Koshikawa (Chair)
K. Kobayashi (Vice-Chair) M. S. Altman (Vice-Chair)
K. Oura S. Shin N. Ueno
K. Ueda Y. Iwasawa M. Iwami
K. Seki H. Daimon M. Oshima
K. Goto T. Kinoshita K. Asakura
Y. Watanabe O. Shimomura
T. Yasue(Secretariat) H. Kimura(Secretariat)

Steering Committee

T. Kinoshita(Chair)
H. Yoshikawa T. Okuda M. Taguchi
F. Matsui H. Kimura T. Yokoya
T. Nakamura T. Muro T. Matsushita
Y. Saitoh Y. Fujikawa
K. Tohma (Secretariat) A. Inobe(Secretariat)

Finance Committee

R. Oiwa (Chair) K. Wada (Vice-chair)
Y. Yamazaki M. Hasegawa S. Takahashi

Program Committee

K. Asakura (Chair)
T. Kinoshita T. Koshikawa K. Ono
Y. Watanabe S. Imada M. Oshima
H. Shimoyama

Publication Committee

Y. Watanabe(Co-Chair) M. S. Altman(Co-Chair)
K. Ono H. Hibino F. Maeda
M. Yoshitake H. Adachi

International Advisory Committee

E. Bauer M. S. Altman H.-J. Ernst
G. Kellogg R. Tromp B. Poelsema

ABOUT LEEM/PEEM V

LEEM/PEEM V is the 5th international conference on Low Energy Electron Microscopy and Photo Emission Electron Microscopy. The first workshop was held in Arizona, USA, 1998, and the following workshops were held in 2000 Paris, France, 2002 Albuquerque, New Mexico, 2004 Twente, Netherlands. The meeting will cover the theory, instrumentation and application of cathode lens microscopy including LEEM, PEEM, SPLEEM, XPEEM and related techniques. The topics concerning to the time-resolved measurements which become more active recently will be welcome. The purpose of the meeting is to give a biannual review of the present status of the field, to exchange experience between researchers, and to introduce interested scientists into LEEM/PEEM research.

VENUE

The symposium site (Egret Himeji) is located near by the Himeji castle, which is registered as one of the World Heritage. Himeji is about one hour west from Osaka, and 1.5 hour from Kyoto by Shinkan-sen. SPring-8, which is the world's largest SR facility, is located nearby.

ABSTRACT

One page abstract of A4 size is due until June 16, 2006. A book of collected abstracts will be distributed to all participants at the conference.

PROGRAM AND SCHEDULE

The conference will roughly follow the format of the previous meetings with twenty minute oral contributed presentations followed by five-minute discussion periods. In addition to the oral talks, poster presentation will be held. The meeting will feature Distinguished Guest Lectures from scientists working in LEEM/PEEM related fields or with related techniques. The candidates are under consideration.

PROCEEDINGS

Proceedings of the conference will be published in Surface Science. All papers will be refereed in the normal procedure of Surface Science. The submission procedure will be announced in the official web site of the conference.

STUDENT AWARDS

A limited number of student awards will be selected from the submitted papers. A part of their traveling or accommodation fee will be supported. For applicants and for more information please contact the conference office. leem-peem-v@spring8.or.jp

REGISTRATION

Preliminary registration is accepted by sending e-mail to the following address.

leem-peem-v@spring8.or.jp

We will recommend you an early registration before 11 August 2006 by sending conference fee through bank transfer, wire or credit card. Details for payment will soon be announced in home page (second circular).

REGISTRATION FEE

	Before 11 Aug. 2006	After 11 Aug. 2006
Regular	30000JPY	35000JPY
Student	12000JPY	16000JPY
Accompany	10000JPY	13000JPY

ACCOMMODATION

Rooms are available in all hotel categories close to the conference site. Further information on accommodation will be announced in the official Web site.

CLIMATE

Average temperature in October is 18.2 degree C, and number of rainy day is about 9 days in October. The weather is balmy climate.

LANGUAGE

The official language of the symposium is English.
